Following the 2011 earthquake that razed its centre and much of the outlying suburbs, Christchurch is well into a billion-dollar makeover. In the middle of the Canterbury Plains, bordering the pacific ocean, New Zealand's newest city is an ideal gateway to exploring the middle of the South.

Go punting on the Avon River, take a historic tram ride, catch the gondola to the rim of an extinct volcano or do all three! See the world's only Cardboard Cathedral and for nature enthusiasts - wander the renowned Christchurch Botanic Gardens, or head to Oxford Terrace in the city to find a great spot to eat or drink.

Drive an hour in any direction to ski, mountain bike, wine taste, whale-watch, bungee jump or play golf. Take the winding Port Hills road to the French settlement of Akaroa and tour the vines in Waipara for an authentic New Zealand wine-tasting experience.

SUGGESTED ACTIVITY - Hot Air Balloon Ride

Escape to a world of peace and tranquillity. Hot Air Ballooning is a magical experience and a flight with Ballooning Canterbury offers panoramic views across the fertile Canterbury Plains to the Southern Alps. There is nothing quite so romantic and exciting as floating effortlessly over an ever changing landscape.

Before leaving the ground, the pilot will give you a briefing. During your flight you will experience spectacular views and have fantastic photo opportunities. Chilled champagne, orange juice and a light snack then be served. Hot air ballooning is a hands-on experience and you will be encouraged to assist with the setup and pack away of the balloon itself.

SUGGESTED ACTIVITY - Punting on the Christchurch Avon River

Relax and enjoy the tranquil Christchurch Botanic Gardens as you are expertly guided along the Avon River on a classic punting tour. You will be set aboard a handcrafted flat-bottomed boat, poled along by your punter in Edwardian attire from the platform at the rear of the boat. You will enjoy the spectacular flora that the Garden City is famous for from a unique perspective amidst fresh air.

Keep heading North and be sure to enjoy the view of the ever-changing towering snowcapped Southern Alps Mountain Range. Fox Glacier welcomes you first, then comes your destination for the night Franz Josef township.

SUGGESTED ACTIVITY - Cruise and Island Nature Walk with Eco Wanaka

Lying close to the centre of Lake Wanaka is Mou Waho Island Nature Reserve. A unique glacial remnant of the last ice age, the island is also the historic site of early shipbuilding and used to be a stopping place for the steamers and log rafts that once plied the lake. Accessible from Wanaka by a 35-minute boat cruise, the landing is on the eastern side of the island where the remnants of the early settlement remain; a stone wharf and a hut. A well-formed track leads from the landing and climbs steadily through native bush to near the top of Tyrwhitt Peak. Just before the top, we see Arethusa Pool, a small lake on the island with small islands in it - very intriguing! From the top, we have a sweeping 360-degree view of Lake Wanaka, its surrounding mountains and valleys, and below Arethusa Pool. The perfect spot to stop for tea or coffee. Going back down the track gives us more time to take in our surroundings, listening to and watching the lively bird-life, and just enjoying this unique wildlife reserve. You will feel well rewarded as you re-join the boat for the cruise back to Wanaka. Total cruise time is 1.5 hours. The trip runs subject to weather and lake conditions. Depending on the planting season, you can help The Reforestation of Mou Waho by planting a tree.
